| Total Branches: 12         | Total Users: 48         | Active Trips: 27 |
| Pending Invoices: 43       | Vendor Payments Due: 12 |                  |
| LEFT SIDEBAR MENU          |                         |                  |
| Dashboard                  |                         |                  |
| Branch Management          |                         |                  |
| User Management            |                         |                  |
| Role & Permission Settings |                         |                  |
| Master Settings            |                         |                  |
| - Expense Heads            |                         |                  |
| - Vehicle Types            |                         |                  |
| - Route Master             |                         |                  |
| Finance Controls           |                         |                  |
| - Tax Settings             |                         |                  |
| - Invoice Series           |                         |                  |
| Audit Logs                 |                         |                  |
| System Settings            |                         |                  |
| Logout                     |                         |                  |
| MAIN WIDGET AREA           |                         |                  |
| Branch Performance (Graph) | Trip Status Summary     |                  |
| Booking Count / Month      | In Transit: 14          |                  |
| Revenue / Month            | Delivered: 09           |                  |
|                            | Pending: 04             |                  |

## 2. Branch Management UI

| Branch Management                                    |        |        |        |          |      |         |
|--|--------|--------|--------|----------|------|---------|
| [Add New Branch]                                     |        |        |        |          |      |         |
| Branch List  |        |        |        |          |      |         |
| ID   Branch Name   City   Manager   Status   Actions |        |        |        |          |      |         |
| 01   | Delhi  | Delhi  | Rajesh | Active   | Edit | Disable |
| 02   | Mumbai | Mumbai | Karan  | Active   | Edit | Disable |
| 03   | Jaipur | Jaipur | Nitin  | Inactive | Edit | Enable  |

## 3. User Management UI

| User Management   |               |          |        |          |          |                |
|---|---------------|----------|--------|----------|----------|----------------|
| [Add New User]  |               |          |        |          |          |                |
| User List   |               |          |        |          |          |                |
| ID   Name   Role   Branch   Login ID   Status   Actions |               |          |        |          |          |                |
| 01  | Anil Sharma   | Manager  | Delhi  | anil@... | Active   | Edit / Disable |
| 02  | Priya Singh   | Accounts | Mumbai | priya@.. | Active   | Edit / Disable |
| 03  | Devansh Gupta | Booking  | Jaipur | dev@...  | Inactive | Edit / Enable  |

## 4. Add / Edit User Screen

| Add / Edit User |  |
|-----------------|--|
|                 |  |

|  |          |        |      |        |
|--|----------|--------|------|--------|
| Full Name: [_____]   |          |        |      |        |
| Email/Login: [_____]   |          |        |      |        |
| Mobile: [_____]  |          |        |      |        |
| Password: [*****] [Reset Password Button]                      |          |        |      |        |
| +-----+  |          |        |      |        |
| Assign Role: [Dropdown: Manager / Accounts / Booking / Viewer] |          |        |      |        |
| Assign Branch: [Multi-select Dropdown]                         |          |        |      |        |
| +-----+  |          |        |      |        |
| Permission Matrix  |          |        |      |        |
| -----  |          |        |      |        |
| Module   | View     | Create | Edit | Delete |
| LR Booking   | [ ]      | [ ]    | [ ]  | [ ]    |
| Manifest   | [ ]      | [ ]    | [ ]  | [ ]    |
| Vehicle Hire   | [ ]      | [ ]    | [ ]  | [ ]    |
| Expenses   | [ ]      | [ ]    | [ ]  | [ ]    |
| Invoicing  | [ ]      | [ ]    | [ ]  | [ ]    |
| Vendor Payment   | [ ]      | [ ]    | [ ]  | [ ]    |
| Reports  | [ ]      | -      | -    | -      |
| +-----+  |          |        |      |        |
| [SAVE USER]  | [CANCEL] |        |      |        |
| +-----+  |          |        |      |        |

## 5. Role & Permission Settings

|  |      |        |      |        |
|--|------|--------|------|--------|
| +-----+<br>                    ROLE & PERMISSION SETTINGS<br>+-----+ |      |        |      |        |
| Select Role: [Dropdown]  |      |        |      |        |
| +-----+  |      |        |      |        |
| Permission Table   |      |        |      |        |
| -----  |      |        |      |        |
| Module   | View | Create | Edit | Delete |
| LR Module  | [✓]  | [✓]    | [✓]  | [✗]    |
| Manifest Module  | [✓]  | [✓]    | [✗]  | [✗]    |
| Invoicing  | [✓]  | [✗]    | [✗]  | [✗]    |
| Reports  | [✓]  | -      | -    | -      |
| +-----+  |      |        |      |        |
| [UPDATE PERMISSIONS]   |      |        |      |        |
| +-----+  |      |        |      |        |

## 6. Master Settings UI

| MASTER SETTINGS |               |              |              |  |
|-----------------|---------------|--------------|--------------|--|
| Expense Heads   | Vehicle Types | Route Master | Tax Settings |  |
|                 |               |              |              |  |

Example: Expense Head Master

| [ADD NEW HEAD] |              |        |        |
|----------------|--------------|--------|--------|
| ID             | Expense Head | Status | Action |
| 01             | Fuel         | Active | Edit   |
| 02             | Stationery   | Active | Edit   |
| 03             | Repairs      | Active | Edit   |

## 7. Audit Log UI

| AUDIT LOGS  |             |            |               |            |  |
|---|-------------|------------|---------------|------------|--|
| Filter By: User [Dropdown]   Module [Dropdown]   Date Range |             |            |               |            |  |
| Logs  |             |            |               |            |  |
|   |             |            |               |            |  |
| Date  | User        | Module     | Action        | IP Address |  |
| 01-01-2025  | Anil Sharma | LR Booking | Created LR001 | 10.0.1.1   |  |
| 01-01-2025  | Priya Singh | Invoicing  | Edited INV020 | 10.0.1.5   |  |
| 01-01-2025  | Dev Gupta   | Manifest   | Deleted MF003 | 10.0.1.6   |  |

## 8. System Settings UI

| SYSTEM SETTINGS |  |  |  |
|-----------------|--|--|--|
|                 |  |  |  |

|                               |  |
|-------------------------------|--|
| Company Name: [_____]         |  |
| Logo Upload: [Choose File]    |  |
| Invoice Prefix: [INV-____]    |  |
| LR Prefix: [LR-____]          |  |
| Manifest Prefix: [MF-____]    |  |
| +-----+                       |  |
| Backup: [GENERATE BACKUP]     |  |
| Restore: [UPLOAD BACKUP FILE] |  |
| +-----+                       |  |
| [SAVE SETTINGS]               |  |
| +-----+                       |  |

---
